Atlantic Publishing Co. Mixed media product. Book Condition: new. BRAND NEW, How to Open & Operate a Financially Successful Import Export Business, Maritza Manresa, Book & CD-ROM. The import and export business is not just for Goliath corporations. An individual armed with the right information can get in on this enormous industry. It is big business these days. In 2007 alone, American companies will export \$772 billion in merchandise to over 150 foreign countries. Billions of dollars in merchandise and goods are being exchanged each day in the global marketplace. These products are bought, sold, represented, and distributed somewhere in the world on a daily basis. While basically any country can offer opportunities for import export trade, Canada, Mexico, Japan, and China have topped the trading chart for the past two decades. In the last few years, countries in the former Soviet Union and South America have become major players. Compared to other businesses, however, import export companies have a very low start-up cost. You do not need any special license or degree; what you need to succeed is the expert advice presented in this new, comprehensive manual. This is a business you run from home, and travel is mostly optional. This guide provides readers with an understanding of the basic concepts of international trade and will help you navigate the maze of international trade policies and regulations. This is a comprehensive and detailed study of the business side of the import export business. You will learn everything from the initial start-up decisions to working with U.S. and foreign companies. If you are investigating opportunities in this type of business, you should begin by reading this book. While providing detailed instruction and examples, the author leads you through every detail that will bring success. You will learn how to draw...
