Brand New Book ***** Print on Demand *****.Excerpt from The Advance Movement in Michigan Forestry For some years the friends of the forestry movement in Michigan have had in mind the organization of a body of people who should utilize the Association in the interests of reforestation in Michigan along the same lines of work which have been accomplished in the State by the Horticultural Society and which have resulted in developing such a tremendous commercial and amateur interest in horticultural progress. The work of the State Horticultural Society had led up to this by inserting forestry subjects into its programs from time to time, and even giving up whole sessions of its conventions to forests and forest management. It remained for Mr. Thornton A. Green, of Ontonagon, Michigan, to actually initiate the movement which led to the formation of the Michigan Forestry Association, on the 29th and 30th of September, 1905. Mr. Green, through correspondence, acting as provisional secretary, had canvassed the State for membership and secured something over 300 members upon which the society should found its structural work. The first thought...
