Createspace, United States, 2010. Paperback. Book Condition: New. 213 x 135 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This guide is written for those of us who live lives that mandate a multi-task approach; we work, we raise our family, we handle finances, we handle emergencies which leave little time for setting aside time to focus on only one thing. Doing daily tasks that allow us to freely think as we complete them, we can choose to multi-task a positive reinforcement that is sent out to the universe for which our order will be placed for success. Visualization, repetition, and positive thoughts can be implemented simultaneously into our normal, chaotic routines, and sometimes, they simplify perceived chaos into one of a calm reality. We can think and do, with a positive, purposeful spin on what we want. This composition of excerpts, scenarios, mantras, and checklists are offered as a means to achieve your desired goal, in this case, a wonderful job. If you think it, focus on it, and visualize being happy and doing it, it will manifest itself. Think of these readings as sort of a technical manual or crib sheet on how to get done what you want by the power of succinct visualization and a checklist to accomplishing what you want in your career and life's adventures when it comes to the workplace. As many of life's opportunities manifest themselves as initial challenges, it is important to remember that everything has a time, reason, and place. These events occur to shape your experience with the unique skill set that you have in order for you to manifest something you truly desire. If what it is you wish to occur is for the greater good, it will happen in the blink of...
