Taylor Francis Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 2nd Revised edition. 230 x 156 mm. Language: English . Brand New Book. The new edition of this comprehensive course in Spanish-English translation offers advanced students of Spanish a challenging yet practical approach to the acquisition of translation skills, with clear explanations of the theoretical issues involved. A variety of translation issues are addressed, including: * cultural differences * register and dialect * grammatical differences * genre. With a sharper focus, clearer definitions and an increased emphasis on up-to-date real world translation tasks, this second edition features a wealth of relevant illustrative material taken from a wide range of sources, both Latin American and Spanish, including: * technical, scientific and legal texts * journalistic and informative texts * literary and dramatic texts. Each chapter includes suggestions for classroom discussion and a set of practical exercises designed to explore issues and consolidate skills. Model translations, notes and suggestions for teaching and assessment are provided in a Teachers Handbook; this is available for free download at Thinking Spanish Translation is essential reading for advanced undergraduate and postgraduate students of Spanish and translation studies. The book will also appeal to a wide range of language students and tutors through the general discussion of the principles and purposes of translation.
