Instead, a brutal, bloody scene unfolds - one of unending physical and emotional degradation and abuse. To escape the cruelty of her murderous husband, she seizes the unexpected opportunity for a new identity and becomes the cook on a sleek 130-foot schooner sailing for Bermuda and the West Indies. But her determined attempt at anonymity can't protect her from the unrelenting pursuit by a vicious drug lord who thinks she's the cunning cartel accountant who skimmed millions of the cartel's money. Only DESPERATE MEASURES can save her and the ship's crew from hired thugs, professional killers, and even modern day pirates as they sail from island to island. Betrayal and deceit, mixed with the solar heat of the Caribbean, drive this story of survival and self-discovery. It bursts with tension, suspense, and unexpected plot twists.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
