Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from An Inquiry Into the Law of Negro Slavery in the United States of America, Vol. 1: To Which Is Prefixed, an Historical Sketch of Slavery I enter upon an untrodden field. Stroud s Sketch of the Law of Slavery is and was intended only as an Abolition pamphlet; Wheeler s Law of Slavery professes to be only a compend of abridged decisions on prominent questions. An elementary treatise, purporting to define the Law of Slavery as it exists in the United States, has not been brought to my notice. As a pioneer I doubt not I have, like others, frequently deviated from the true course. Reflection has induced me to change many positions which I had committed to paper. Subsequent reflection, and the exposition of other minds, may induce me to change some now committed to the public. This work has been prepared at leisure hours, in the midst of a laborious practice. These have varied in length from a few moments to a few days. The natural result - disconnection and incoherency - may be detected by experienced eyes.
