

Office 2007 the Missing Manual

By Chris Grover, Matthew MacDonald, Emily A. Vander Veer

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Office 2007 the Missing Manual, Chris Grover, Matthew MacDonald, Emily A. Vander Veer, Quickly learn the most useful features of Microsoft Office 2007 with our easy to read four-in-one guide. This fast-paced book gives you the basics of Word, Excel, PowerPoint and Access so you can start using the new versions of these major Office applications right away. Unlike every previous version, "Office 2007" offers a completely redesigned user interface for each program. Microsoft has replaced the familiar menus with a new tabbed toolbar (or "ribbon"), and added other features such as "live preview" that lets you see exactly what each option will look like in the document before you choose it. This is good news for longtime users who never knew about some amazing Office features because they were hidden among cluttered and outdated menus. Adapting to the new format is going to be a shock - especially if you're a longtime user. That's where "Office 2007: The Missing Manual" comes in. Rather than present a lot of arcane detail, this quick & friendly primer teaches you how to work with the most-used Office features, with four separate sections...
