This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Scholastic, United Kingdom, 2014. Board book. Book Condition: New. Sharon Rentta (illustrator). 168 x 168 mm. Language: English . Brand New Book. There are lots of colours to spot in the garden! The cats are splashing in their bright yellow wellies, and mouse is snuggling in his favourite red sock. Toddlers will love pulling the super-sturdy, slide-out pages of this chunky board book to reveal a different colour each time. With lots of humour along the way and a fabulous cast of animal characters, this is a delightful way to introduce children to colours. Other titles in this series: ANIMAL SOUNDS, COUNTING and OPPOSITES.
