Life In the Wetlands

By Carolyn Scrace

Salariya Book Company Ltd. Hardback. Book Condition: new. BRAND NEW, Life In the Wetlands, Carolyn Scrace, This is an invaluable introduction to wetland habitats, providing a comprehensive overview of the subject, including; what are the wetlands, where wetland areas are to be found, what animals and plants live there, how they have adapted to suit these conditions, how people survive in these conditions and much more. The title offers an in-depth exploration of the natural world stressing environmental issues. Each spread is headed with a question, which is answered in the main text. Each spread has a fact box, which highlights key concepts relating to the main theme. Full-colour illustrations and photographs bring the subject to life. Also contains an 'Amazing Facts' section; a glossary to explain new words used in the main text; an index, and questions and answers that refer the reader back to the text. Life in the Wetlands and the National Curriculum: fits into the National Curriculum (KS2/5) 'Living things in their environment': about ways in which living things and the environment need protection; about the different plants and animals found in different habitats; how animals and plants in two different habitats are suited to...
