Pearson Education (US), United States, 2007. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book. With over 70 of American workers living paycheck to paycheck, basic money management skills are needed desperately. This is a masterful work that guides us to discover our own money dysfunctions and takes us on a journey to healthy financial behaviors. -Sally Hass, Employee Benefits Life Planning Manager, Weyerhaeuser Company This book combines solid knowledge of societal trends in personal finance with guidance on how to develop a sense of purpose about money and get financially fit for a lifetime. They break the rules, set up a new framework for humanized finances, and challenge consumers to change the future by changing their habits, now. -Dean Brassington, Financial Educator and U.S. Navy Quality of Life Program and Design Consultant The great merit of this book is that it reads like an engaging conversation. It bridges the gap between a complicated world out there and one's personal...
