Overlook perception and seek reality with this novel. Find out what it is really like to rise to the level of playing college football. If you want the real world of football, this is it, otherwise, listen to the news. These mistakenly overlooked college football players take over a struggling football team with their drive and tenacity, all in an effort to play one more football season. Understanding their romantic interests as they struggle not to be dragged under provides a highly insightful gaze into their world....
