Xulon Press. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. The subject of the Kingdom of God is an exhaustive study on which multitudes of books and syllabi have been and will be written, with many only scratching the surface of this topics depth. I received the revelation contained in this book as I studied the kingdom parables and ministered these truths in my church. What I am about to pen didnt come from todays popular teaching on eschatology (the study of end-time events), what I learned in Sunday school as a child, or even what is being taught by many of todays so-called end-time Bible prophecy teachers. It has come from studying these parables in the Greek language, as well as applying them through present-day truth. Some will reject the teaching in this book because of their own misconception with one word: kingdom. Those who know me know that I have never shied away from controversial subjects just because the religious world doesnt understand or agree with them. As an ApostlePastor, I daily see the condition of the church, where we are, and more importantly, where we need to go! People spend millions of dollars each year on the newest Bible prophecy books, as well as subscribing to end-time gurus literature predicting the next flood, earthquake, disaster, or even worse, some mathematical or Biblical equation as to the Lords return. More importantly than the hour of His return (which, by the way, Jesus Himself doesnt know), the church should be taught the meaning of Jesus words . . . Occupy till I come (Luke 19: 13). Many of Gods people have grown weary (Galatians 6: 9); some have shipwrecked their faith (I Timothy 1: 19); their love has waxed cold (Matthews 24: 12); or even...
