Pax Economica Freedom of International Exchange the Sole Method for the Permanent and Universal Abolition of War: With a Statement of the Cause and the Solution of the European Crisis, and a Sketch

By Henri Lambert

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Pax Economica Freedom of International Exchange the Sole Method for the Permanent and Universal Abolition of War: With a Statement of the Cause and the Solution of the European Crisis, and a Sketch of the Only Possible Conclusive Settlement of the Problem Confronting the World Three years of a war more murderous, ruinous and hideous than human imagination ever could have conceived, the unexpected duration and the continuous aggravation of the most perilous crisis which could confront the world, the impending menace of a break-down of civilization, to which some grave symptoms already point, do not appear to have brought the governments, statesmen and leaders of thought any nearer to the conception of a settlement that a civilized mind could call a solution of the international situation. Very few among our contemporaries seem yet to realize that Force cannot solve international problems any more than other problems, cannot make the world more secure in the future than it has made it in the past, cannot establish a peace worthy to be lived, cannot save civilization-that...

Reviews

I actually began looking at this pdf. It is actually rally interesting throgh reading time period. You will not really feel monotony at at any time of your respective time (that's what catalogues are for concerning if you ask me).
