## BACKYARD MEAT RABBITS

Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Urban Rabbit Project Volume 1 Backyard Meat Rabbits This is the first in a series called The Urban Rabbit Project that will share all of our different experiences with rabbits. Each Future Volume will build on the prior Volumes, but could be read as a stand-alone book. The idea is to allow the reader greater flexibility in choosing what interests them and what they find helpful to them. For example, this one is aimed obviously at those considering the idea of starting a small backyard herd of meat rabbits, but does NOT actually get into any aspects of harming any. It stops short of that. So, if one can overlook references to meat rabbits, it could be helpful to those interested in having outdoor pet rabbits too. There are many books about raising rabbits. I find most very general, including information on keeping rabbits as pets, raising rabbits for show, and breeding rabbits to sell to processors for profit. This book will focus specifically on, and only on sharing with the reader our personal experiences and methods of raising meat rabbits on our 120 x120 city lot in Michigan as self-sufficient meat for our family. It stops short of the actual harvesting process. I m often on my soapbox in support of the argument that it s easier for a family to need less than to spend more money to buy quality food. Done our way, rabbit meat can cost close to zero after the initial setup is paid for. There are no taxes to pay, no middleman, no anything. It s just like we ve added a meat section to our garden! Then, just like we...
