Are you sick and tired of having conversations with your boss about career progression, only to be told that you re so great at your job, and you make my life easier, lets chat again in 6 months time. Um, lets not! It might be time to take a step back and think about your options. Really THINK about what YOU want out of life and what you can do to stop this same scenario from happening again and again. It s time to look at doing something for YOU! Freelancing is a viable business model that thousands of employees are turning to, recapturing their time and their life and pursuing work that they love. Isn t it time YOU did the same? Wouldn t it be great to wake up in the morning, at a time you ve chosen, and actually be EXCITED about getting out of bed? That s what being a freelancer offers you. In this hands-on and step-by-step guide, Lise Cartwright explains how YOU can earn what you re worth and do what you love doing. WITHOUT having to align yourself with another company and corporate job again! By using examples from her own personal experiences of running multiple freelancing businesses, Lise shows you how to start your freelancing business and make YOUR first dollar online! In This How-To Guide, You ll Be Given: - Step-by-Step Instructions to help you quickly achieve and implement your freelancing business - Action Checklists that will provide you with a quick re-cap on each step and show you EXACTLY what you need to do in order to get started within the next 30 days...
