SINGER INSTRUCTIONS FOR ART EMBROIDERY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Singer Instructions for Art Embroidery In using the Singer Sewing Machine for lace making and embroidery, there are some very important rules that must be followed by all who desire to learn how to do this most fascinating work. The most important thing is to be able, easily and naturally, to exercise an independent movement of the feet and the hands. The feet must be trained to start, stop and operate the machine very slowly by means of the treadle without any help from the hands. This leaves both hands free for manipulating the embroidery hoops holding the work. The first impulse of a beginner is to move the feet in unison with the hands; as a consequence, short stitches are formed, and often several stitches in the same place. The fundamental rule is: Move the feet slowly and the hands rapidly. This is the hardest thing to acquire, and you will need to remember it constantly at first. With practice, however, it will become easy and natural, and you will be able absolutely to control, by means of the treadle alone, every movement of the needle. In connection with this treadle movement, the secret of successful machine embroider is to know how to control with accuracy the movement of the embroidery hoops between stitches, gauging the distance to the next point where the needle should penetrate to produce the stitch desired. To prepare the machine To prepare the machine, remove the presser-foot and raise the presser-foot bar. Then push the screw regulating the stitch as high as it will go so as to stop the feed. See that the tensions are adjusted so that...
