Word Alive Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Something to Think About is not a single story that starts on page one and finishes with the words The End. Rather it s a collection of short studies on a variety of topics that range from the Beatitudes to a look at the hummingbird. With his wife, he led a home Bible study group in Brussels for six years. Something to Think About originated as a challenge to the members of that group to dig deeper into their faith through a weekly devotional-style commentary. Some of the articles were written in response to questions they asked whilst others, particularly those...
