Reviews

An incredibly great book with perfect and lucid reasons. It really is writter in straightforward words instead of confusing. I am just very easily could get a delight of reading through a written pdf. (Curt Bogan)

PATHOLOGIE VERBALE, OU, LESIONS DE CERTAINS MOTS DANS LE COURS DE LUSAGE

Livres Generaux. Paperback. Book Condition: New. Paperback. 48 pages. Dimensions: 8.8in. x 6.0in. x 0.2in.Sous ce titre, je comprends les malformations (la cour au lieude la court, epellation au lieu depelation), lesconfusions (econduire et lancien verbe escondire), lesabrogations de signification, les pertes de rang (par exemple, quand un mot attache aux usages nobles tombe aux usages vulgairesou vils), enfin les mutations de signification. Notre langue est ecrite depuis plus de six cents ans. Elle esttellement changee dans sa grammaire, dans ses constructions etmeme en son dictionnaire, quil faut une certaine etude, quidailleurs nest pas bien longue et que jai toujoursrecommandee, pour comprendre couramment lancienne. Malgre tout, un grand nombre de mots ont traverse ce long intervalle de temps, ils ont ete employes par tous les Français, il est vrai, habitantle meme pays, mais soumis a dinfinies variations de moeurs, dopinions, de gouvernements. On doit admirer la constance de latradition sans setonner des accrocs quelle a subis ca et la. Comme un medecin qui a eu une pratique de beaucoup dannees et debeaucoup de clients, parcourant a la fin de sa carriere lejournal quil en a tenu, en tire quelques cas qui lui semblentinstructifs, de meme jai ouvert mon journal, cest-a-dire mondictionnaire, et jy ai choisi une serie danomalies qui, lorsqueje le composais, mavaient frappe et souvent embarrasse. Jemetais promis dy revenir, sans trop savoir comment; loccasionse presente en ce volume et jen profite; ce volume que, certes, je naurais ni entrepris ni continue apres lavoir commence, sije netais soutenu par la maxime de ma vieillesse: fairetoujours, sans songer le moins du monde si je verrai lachevementde ce que je fais. Je les laisse dans lordre alphabetique ou je les ai relevees. Ce nest point un traite, un memoire sur la matiere, que jecompte mettre sous les yeux de mon lecteur....
